# Flowers of Remembrance

With Deepest Sympathy  
Rick,  
Very few can understand  
the deep sadness you're  
experiencing now, but  
may you find comfort  
daily in the memories  
of your grandchild and  
the love and support  
of those who care.  
Amanda Baumgartner  
and

With Deepest Sympathy  
Rick and Rhonda. I hope  
over time the happy memories  
outshine the sadness you are  
feeling. I wish so much I could  
be there with you today.  
Love, The Eppersons
