I’m Free

Don’t grieve for me for now I’m free,
I’m following the path God laid for me
I took his hand when I heard him call,
I turned my back and left it all
I could not stay another day,
To laugh, to love, to work or play
Tasks left undone must stay that way,
I’ve found that peace at the close of day
If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss
Be not burdened with times of sorrow,
I wish for you the sunshine of tomorrow
My life’s been full, I’ve savored much,
Good friends, good times, my loved one’s touch
If my time seemed all too brief,
Don’t lengthen it now with undue grief
Lift up your heart, rejoice with me,
God wanted me now, He set me free.

Forever IN OUR *Hearts*

Though her smile is gone, forever and her hands I cannot touch, I still have so many memories of the one I love so much. Her memory is now my keepsake. Which I'll never part. God has her in His keeping I have her in my heart. Sadly missed but never forgotten. She was the greatest mother any daughter could ask for. She was always there for me and could always make me feel loved. I love you so much always and forever MOM. Here's a song from me to you. Mom, my forever friend- by Aria Blu.

Gods Golden Child

You always gave me just enough, never too little, sometimes a tab bit too much. Thank you for all the knowledge you instilled in me. I honored it like a trophy my Golden cup. I missed your amazing smiles, laughter and your beautiful face, most of all, I'm going to miss your Golden touch. I dedicate this song just for you. Love always and forever.
