

When I'm Gone

When I come to the end of my journey
 And I travel my last weary mile
 Just forget if you can, that I ever frowned
 And remember only the smile

Forget unkind words I have spoken
 Remember some good I have done
 Forget that I ever had headache
 And remember I've had loads of fun

Forget that I've stumbled and blundered
 And sometimes fell by the way
 Remember I have fought some hard battles
 And won, ere the close of the day

Then forget to grieve for my going
 I would not have you sad for a day
 But in summer just gather some flowers
 And remember the place where I lay

And come in the shade of evening
 When the sun paints the sky in the west
 Stand for a few moments beside me
 And remember only my best
