To My Children--

"Remember Time Spent with Mom"

When I spill some food on my nice clean dress
Or maybe I can't tie my shoe,
Please be patient and perhaps reminisce
About the many hours I spent with you.

When I taught you how to eat with care,
Reading stories and adding numbers, too.
Dressing yourself and combing your hair,
Those were precious hours spent with you.

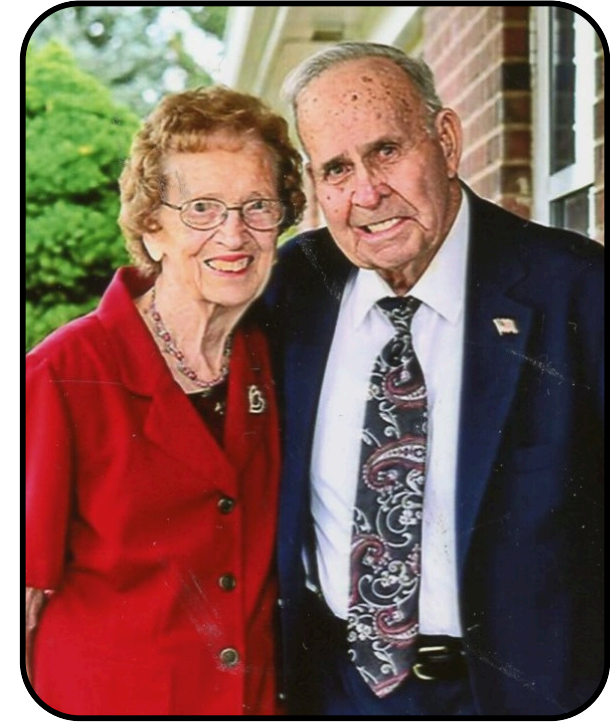

So when I forget what I was about to say,
Just give me a minute---or maybe two.
I want to share all I learned
Taking care of you.

When my legs are tired and it's hard to stand
Or walk the steady pace that I would like to
do,
Please take me carefully by my hand,
And guide me now as I so often did for you.
