

In Loving Memory

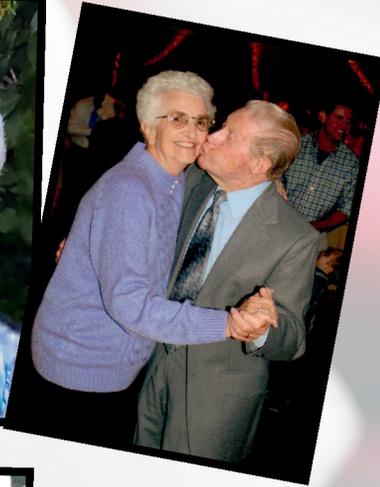

This Mother's Heart
Since time began, right from the start
In God's creation plan, there was a mother's heart
Waiting just to be through all eternity
This greatest gift He gave to you and me.
It beats strong, it beats true
This mother's heart always beats just for you.
In times of joy, when times we cry
This mother's heart always is standing by
When you're near, when we're afar
When we can't seem to find a guiding star.
Don't fall behind, don't follow blind
For deep within your heart, there you will find this mother's heart.
When days are dark, when the nights are cold
When we can't find the spark
Our story to be told
Remember there's a flame, burning just for you
This mother's heart will always see you through.
