HASSAN ARMAND VEAL

MAY 25, 2002 - AUGUST 5, 2021

Hassan Armand Veal was granted his angel wings on August 5, 2021, when his life was violently snatched away by the evil powers of Satan.

As news spread throughout the community many neighbors and loving friends were left speechless and brought to their knees in prayer.

Hassan was preceded in death by his grandmother; Cecile Nevels, grandfathers; Howard Veal, Jr., Larry Nevels and Jack Batiste; his uncles: Troy Nevels, Keith Veal and Larry Franklin

A blessing from God, Hassan was born on May 25, 2002 to be a guardian angel for his parents, Howard and Toya Veal and his sister, K'lya Johnson.

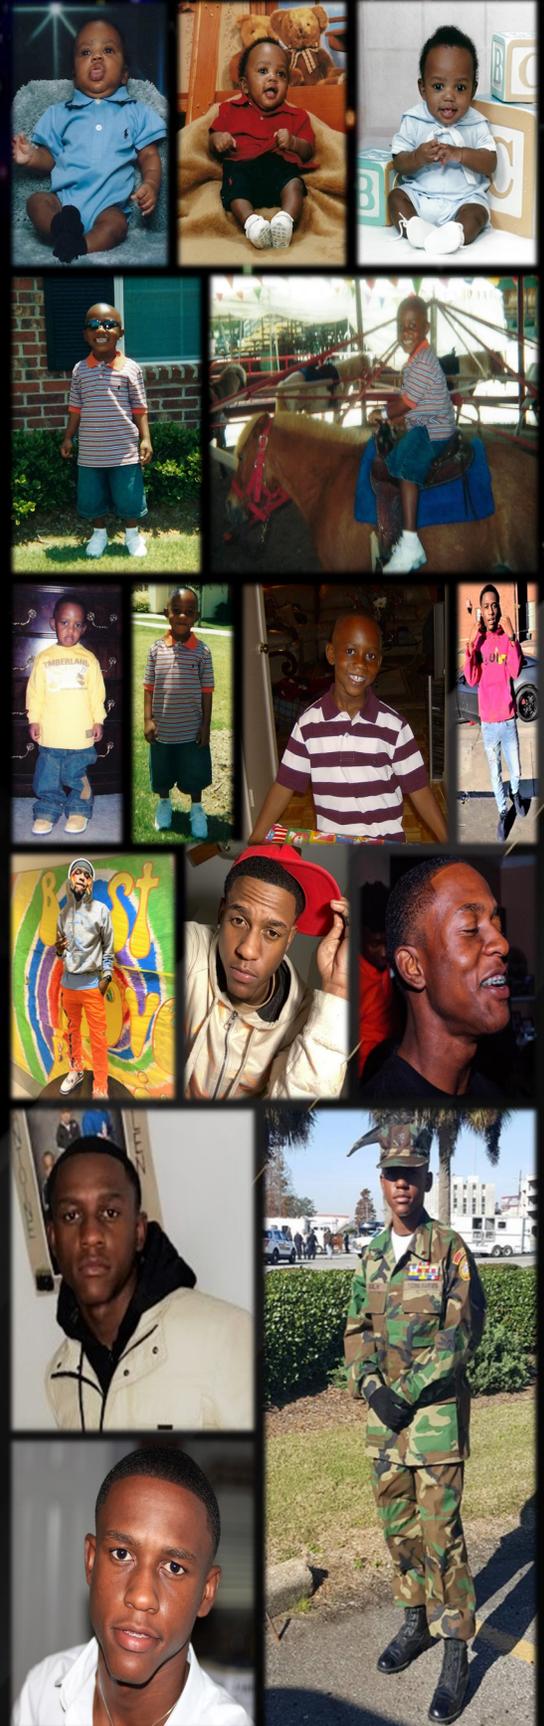

Hassan accepted Christ and was baptized on July 27, 2011 at Morning Star Missionary Baptist Church in Marrero, Louisiana, pastored by Rev. Dr. T.J. Brown, Jr. At his church he was actively involved and helped out at Summer Camp. He was a very loving, energetic young man who loved to joke and have fun.

Hassan received his educational foundation in the Jefferson and Orleans Parish School System. He attended New Orleans Military Maritime Academy where he graduated in 2020. Hassan went on to pursue his education in Petroleum Engineering at the University of Lafayette, Louisiana (ULL). At the time of his demise he was enrolled as a sophomore.

Hassan was an aspiring entrepreneur. He was a person always trying to mastermind an idea with hopes and dreams of becoming wealthy enough to take care of his mom as she had taken care of him. He was taught many talents and miscellaneous skills by his father and worked with him remodeling houses, etc. He was a former employee of the Hilton Valet Parking, Norwegian Cruise Line and was blessed to launch his own clothing line called "SAVIOR".

Hassan enjoyed playing football, baseball and running track. He was an all around happy person, always wanting to help others and be different, especially in his fashionable way of dressing. Hassan was "Debonair per Excellence."

Hassan leave to cherish his memory, his parents: Toya and Howard Veal, III; sister: K'lya Johnson; brother: Howard Jacks; god-sisters: Patraneka Nevels and Skylar Cambre; god-brother: Torrey Hart; grandmothers: Luvicie Veal and Doreen Nevels; aunts: Tunisian (Reginald), Angela, Lisa, Vanessa (Frederick), Lisa Marie; uncles: Enrique Johnson, Sr. (LaQuisha), Eric and Lenard Veal (Lachelle), Kendall Vedol (Carmita), Juran Batiste, Jacques Haynes; devoted friend: Aviann Taylor; a host of great-aunts and uncles, cousins and friends.

CELEBRATION OF LIFE

"Message from the Father" King Hassan

YESTERDAY God bless me with the opportunity to raise the greatest, wittiest child you would ever meet. **YESTERDAY** he touched so many lives and inspired me and so many others. **YESTERDAY** we laughed, loved and were blessed to ever be in his presence. Whenever Hassan come in a room you knew he was there. Speaking about a child that got expelled from pre-K. I told the principal he's just the average lil boy and she replied, "Oh no Mr. Veal, he is definitely not the average child. As a child he was so energetic, full of life; couldn't sit still. That was our "Sani-Boo", always pushing the cup. In his words, "Dad, I'm Hassan."

TODAY I see ghost. Every young boy looks like Hassan. I see his youthfulness, energy, resolve, tenacity to live and his desire for more. "More" is a dangerous adverb.

TODAY...more is the cause of many divorces and the dividing factor in personal life inadequacy we strive for improvement. We get so caught up in more that we don't appreciate what we have today. **TODAY** is the day we start caring about our lives and the lives of others. **TODAY** is the day we take our lives more seriously. **TODAY** is the day young people we deem our lives significant to determine our tomorrow. Because everything we do today will determine how our tomorrow will be. **TODAY!!** Yesterday is behind us. Our lost is substantial, however, our tomorrows are bright. Yes, tomorrow looks bright because yesterday we took for granted **TODAY** we see laying before us is the consequences of a tomorrow that we could have controlled **TODAY**. Lets make the best of our **TODAYS**.

Lets grab life by the bootstraps and challenge adversity, stereotypes, trends and social media. Popular opinions is a myth. Tangible gratification comes from within. That's all that matters. Love yourself. Don't let my son's death be in vain. Take control of your life **TODAY**.

#LongLiveHassan

The best thing I ever did, "I will Always love you."

"My Big Brother"

*You showed me a lot of things.
I learned a lot I didn't know,
But you forgot to teach me one last thing -
How to let you go.*

*I know you didn't mean to leave me;
Sometimes we have no choice.
I miss being your little sister,
Hearing my name called by your voice.*

*I wish I got to say "I Love You"
Before you were given to the sky.
If God could grant me one last wish,
I'd ask to say "Goodbye."*

*You always meant a lot to me.
I could never love you less,
I know it's true when they say,
"He only takes the best."*

A Grandmother and Grandson's Bond

The LOVE between a Grandmother and Grandson was a Blessing, And Joy of my Life. We would talk for hours. I would listen as you shared with me the plans for your future and the man you would become one day. I then told you, had the potential to become President. I saw your Greatness. I taught you how to cook and how to color within the lines. We enjoyed doing word puzzles together and would race to see who could find the words first. We also went on vacations together. We speak on how long we live, at the age of 19 Hassan has touched so many hearts. His living was not in vain. Hassan loved his family, I taught him to Love God and to keep God in his life. Grandson your battle is over, you can rest now. Grandmother will see you again.

I Love you *TODAY*,
I will Love you *TOMRROW*,
and I will Love you *FOREVER*.

Always in My Heart,
Grandma Veal

Forever In Our Heart!

I'll Just Wait In Heaven

*I'll just wait in heaven,
Till we meet again.
I know you miss me
Just remember I am free.
Free from pain and sorrow,
God's love fills each tomorrow.
My love's in your heart,
So we'll never be apart.
Cherish the love we share,
Remember how much I care.
Someday we'll be together,
Because love lives forever!
So I'll just wait in heaven,
Till we meet again.*
