Remember Me

*Remember me with smiles not tears,
for all the joy through all the years.
Recall the closeness that was ours,
A love as "sweet" as fragrant flowers.*

*Don't dwell on thoughts that cause you pain,
We'll see each other once again.
I am at peace... try to believe,
It was my time... I had to leave.*

*But "what a view" I have from here,
I see your face, I feel you near.
I follow you throughout the day,
You're not alone along the way*

*There is magic in Nanna's touch
And sunshine in her smile,
There is love in everything she did
To make our lives worthwhile.*
