CELEBRATING THE LIFE OF

Sheila Eunice Bradberry

March 8, 1938 ~ September 12, 2026

The Long-Awaited Dance

Do not weep or let your hearts be gray,
I have only slipped along the way.

I hear his voice calling through the light,
And I am going to him tonight.

So dry your eyes and let your worries cease,

I leave this world wrapped in love and peace.

The path was long, but now my heart is whole,
Reunited with my love, my soul.
