

## *When Tomorrow Starts Without Me*

When tomorrow starts without me  
And I'm not here to see  
If the sun should rise and find your eyes  
Are filled with tears for me

I wish so much you wouldn't cry  
The way you did today  
While thinking of the many things  
We didn't get to say

I know how much you love me  
As much as I love you  
And each time you think of me  
I know you'll miss me too

But when tomorrow starts without me  
Please try to understand  
That an angel came and called my name  
And took me by the hand

And said my place was ready  
In Heaven far above  
And that I'd have to leave behind  
All those I dearly love

But when I walked through Heaven's gate  
I felt so much at home  
When God looked down and smiled at me  
From His great golden throne

He said this is eternity  
And all I promised you  
Today your life on earth is past  
But here it starts anew

I promise no tomorrow  
For today will always last  
And since each day's the same way  
There's no longing for the past

So when tomorrow starts without me  
Don't think we're far apart  
For every time you think of me  
I'm right here in your heart
