## Family Tree

*There's love within our family tree  
and happiness abound.  
Its roots are deeply planted  
in rich and fertile ground.  
We enjoy the rays of sunlight,  
and endure the winds and rain,  
and when a leaf falls from our tree,  
together we share the pain.  
God gave us earthly families  
and never did intend,  
that bonds of love built on Earth,  
upon our death should end.  
For when our life is over  
and from earth our souls will flee ,  
one by one, leaf by leaf  
He'll rejoin our family tree.*
