Forever in Our Hearts

“Resting Peacefully”

Today our hearts are broken,
The silence you left behind is so loud.
We will speak of you often.
We will laugh at the stories you gave us,
Cry when we need to,
And love each other harder
Because that’s what you would want.
Though we wish for one more conversation,
One more laugh,
One more memory together-
We find comfort knowing
That love is stronger than death
And memories are gifts that can never be taken away.
Rest peacefully, Brother, until we meet again.

*Lovingly submitted by your baby sister.
