“To My Dearest Sheryl”

My beloved babygirl, forever arrived far too soon. I deeply miss your love, your voice, your touch, your laughter, and your radiant smile. Thank you for the incredible honor and privilege of being able to love you. You were a wonderful wife, a cherished friend, a prayer partner, and a devoted mother and grandmother. Your teachings of faith through your words, actions, and deeds have touched our children's lives profoundly. Thank you for being a beautiful woman of God, setting an example for all. Rest peacefully, my sweet babygirl.

Thank You Mom

A home is more than just a house; it's a sanctuary filled with love, laughter, family, friends, and delicious meals. Whether it's in Germany, Kentucky, or Georgia, it was always you, Mom, whose love turned it into a true home. In quiet moments, we feel your presence, even though you're not physically here. The bonds you created remain unbroken and strong, eternally rooted in our hearts. Amidst our tears, we hear your comforting voice, soothing our fears. Your love lingers in the air, and you're present in every cherished memory. Though you've departed, your love continues to guide us each day. In silence, we sense your warm embrace, your kindness, your smile, and your gentle grace. Forever cherished in our hearts, your love remains eternal. We love you always, grateful for the love, lessons, and blessings you bestowed upon us.

Thank you, Mom.

# Love's Miracle

To My Sweet Angel

You were a miracle, a gift from above,  
 A precious soul wrapped in purest love.  
 From the moment I held you, my heart knew,  
 A bond so deep, forever true.  
 As I looked into your eyes, so pure and bright,  
 I felt love instantly, a love full of light.  
 You will always be my baby, no matter how far,  
 A daughter whose love for the Lord shines like a star.  
 Though you're no longer here, you're never apart,  
 You live forever in the depths of my heart.  
 Your gentle spirit, your laughter, your grace,  
 I hold them close, in every space.  
 I cherish the moments, the time we did share,  
 The whispers of love, the moments of care.  
 Though I miss you dearly, I know you're at peace,  
 With God in His arms, your joy will never cease.  
 My beloved daughter, my sweet miracle child,  
 You brought joy to my heart, so tender, so wild.  
 Forever in my soul, you'll always remain,  
 My love for you, unbroken by pain.  
 With all my love,  
 Your loving Mom

# My Daughter by Love

My dear daughter-in-law, Sheryl,  
 A heart that shines with love's pure light.  
 You came into our lives, a blessing true.  
 And in your smile, my heart just grew.  
 I love the way you love my son, a bond  
 so deep with such respect and devotion.  
 You cherish my son, it shows in you eyes  
 and as with gentle grace by filling his world with  
 love's embrace. Thank you, Sheryl, for being  
 the joy in his life and the smile on his face.  
 In your heart, he found his home and a  
 love that is endless to call his own. With you he  
 has a family built on a foundation that's sure,  
 cemented in love with God as the core.  
 You'll always be part of my heart,  
 Forever cherished, forever my daughter.

# Loves Whispers

My dearest love,  
 no farewell could I impart,  
 No whispered words to soothe  
 a breaking heart.  
 Yet in the silence, know my love remains  
 A gentle whisper  
 through life's joyful gains.  
 Thank you, my dear,  
 for all you were to me,  
 A beacon of faith and love for all to see.  
 You showed our children a world so vast  
 With every step we built memories  
 to last.  
 Though tears may fall as time  
 gently flows,  
 Remember me with smiles when  
 morning glows.  
 Our love, a tapestry of blessings bright,  
 A cherished gift beneath the sky's vast  
 light.  
 Forever in spirit, your Sheryl will be,  
 A part of your heart, for all eternity.

# I Have Lived, Loved, and I am Blessed

I have experienced and witnessed the goodness of the Lord in this life. I have been incredibly blessed among women, loved beyond measure, and am a woman cherished by family and friends.

As I daily prepared to part, my heart is filled with gratitude; my soul was ready, even if our "loving hearts" were not.

Please find comfort in this, my dear ones. Do not dwell too long in sorrow and tears, remember the love, the laughter and memories we share and smile.
