

The Seamstress

The eye of a needle is very small indeed

It has a stubborn wink that defies concentration

The seamstress is on a mission of completion

At last the thread gains passage...congratulations

Thoughts of thread construct a garment of dreams

Sewn with promises and unfaltering determination...

The yards of fabric contour to her unique design

An accumulation of love ...a one of a kind creation

The dimming light does not deter her aging fingers

As the candle flame of life begins to flicker unsteadily

Years of practice have not disappointed the outcome

A legacy of devotion has been shaped biographically

If Roses grow in Heaven

If Roses grow in Heaven
Lord, please pick a bunch for me.
Place them in my Momma's arms
and tell her they're from me.

Tell her that I love her and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.

Because remembering her is easy,
I do it every day,
but there's an ache within my heart
that will never go away.
