Miss Me, But Let Me Go

*When I come to the end of the day
And the sun has set for me,
I want no rites in a gloom-filled room.
Why cry for a soul set free?*

*Miss me a little, but not too long,
And not with your head bowed low.
Remember the love we once shared.
Miss me, but let me go.*

*For this journey we all must take
And each must go alone.
It's all a part of the Master's plan
A step on the road to home.*

*When you are lonely and sick of heart
Go to the friends we know,
And bury your sorrows in doing good deeds.
Miss me, but let me go.*
