

In Loving Memory
CELEBRATING A LIFE

On Friday, January 17, 2025 the Lord called our baby Asher Wayne Lester home. Asher Wayne was born on June 13, 2024.

A sweet baby born to Fred Lester and Avery Azure. In Asher's 7 months of life, he was full of smiles, laughter and sweet baby kisses with a love that radiated throughout the whole room. He loved being in his swing that his dad hung from the living room ceiling. He loved his tummy time which quickly became him learning to Army crawl throughout the house playing with his toys, he loved cuddles with his mom and dad, playing with his brothers while chasing them around in this walker. He was so fast; he zoomed all over in that thing! He loved his adventures out to Grandma Brandy's, where he knew he wouldn't let her have empty arms. He was definitely the boss. Asher started rolling over at 4 months old, which came with two little teeth, then he was Army crawling by 6 months old. Asher's brief time on this earth has left us with so many sweet memories. All of his little milestones and his yelling loudly because he loved the sound of his own deep little voice. He's so loved by many and will be so missed.

Asher is survived by his mom and dad; his 5 brothers Sebastian, Roman, Kade, Nixon and Urijah; his grandparents Brandy Smith, Durand Zoanni, Sissy and Butch Little, Calvin Lester; his great grandparents Kate Murray, Sandy Azure, Darlene Lefthand; uncles and aunties Chiefy (Alyssa), Kaelen, Michael Devin, Christopher, Michael, Brooklyn, Patrick, RJ, Sonny Buckles, Barry Buckles, Ronnie Smith, Paul Lee, Hopie, Aggy, Annie, Heather, Crystal.

He is preceded in death by Kenny Azure, Jr., Kenny Azure, Sr.; great grampa Charles "Lynnie" Smith, great grandma Geraldine Scott, great grampa James Buckles Sr., Robert "Boy" Murray, Jr., cousins Brady Smith, Corey Murphy, Billie Gayle Bemer, Dallas Falcon.
