*Marcile Roberts James*

*February 2, 1927 - December 28, 2024*

Marcile was born February 2, 1927, in Shelley, Idaho and raised in the nearby potato-growing community of Jameston, the seventh of ten children born to Dee Aroll (Dave) Roberts and Mable Anderson Roberts. She lived next door, across the street, and down the road from grandparents, aunts, uncles, and cousins. It framed her childhood and the rest of her life as a part of her never left Idaho and the bonds she formed there. She spoke of her mother as (almost) perfect, and she has been looking forward to being with her again.

Mom and Dad were married on August 14, 1952, in the Idaho Falls temple, and they enjoyed 64 years of marriage together on earth. Mom was a dedicated and faithful member of the Church of Jesus Christ of Latter-day Saint, and it was a foundation for her and dad's life together. She served in many callings, especially enjoying Relief Society; but perhaps her favorite service was in reaching out to those who needed a meal or a visit. She and Dad also served two missions when dad retired.

Of course, Mom's greatest joys came from her family. She and Dad were so proud of their six children, and both church service and education were hallmark teachings in our home. She has missed Dad deeply since he passed six years ago, but her family has filled some of the void: MarLynn Gardner of Orem, Utah; Randy (Ruth) James of Caldwell, Idaho; David James of Hyde Park; Mark (Paige) James of West Bountiful, Utah, Lisa (Neal) Oman of Issaquah, Washington, and Rebekah (Mike) Nielsen of Hyde Park, Utah. She has 24 grandchildren, numerous great-grandchildren and many more to come – she loved children so very much and we feel certain she is already at work with her extended family (both future and past) on the other side!

She served in many callings, especially enjoying Relief Society; but perhaps her favorite service was in reaching out to those who needed a meal or a visit. She and Dad also served two missions when dad retired.

Of course, Mom's greatest joys came from her family. She and Dad were so proud of their six children, and both church service and education were hallmark teachings in our home. She has missed Dad deeply since he passed six years ago, but her family has filled some of the void: MarLynn Gardner of Orem, Utah; Randy (Ruth) James of Caldwell, Idaho; David James of Hyde Park; Mark (Paige) James of West Bountiful, Utah, Lisa (Neal) Oman of Issaquah, Washington, and Rebekah (Mike) Nielsen of Hyde Park, Utah. She has 24 grandchildren, numerous great-grandchildren and many more to come – she loved children so very much and we feel certain she is already at work with her extended family (both future and past) on the other side!

Marcile was born February 2, 1927, in Shelley, Idaho and raised in the nearby potato-growing community of Jameston, the seventh of ten children born to Dee Aroll (Dave) Roberts and Mable Anderson Roberts. She lived next door, across the street, and down the road from grandparents, aunts, uncles, and cousins. It framed her childhood and the rest of her life as a part of her never left Idaho and the bonds she formed there. She spoke of her mother as (almost) perfect, and she has been looking forward to being with her again.

Mom and Dad were married on August 14, 1952, in the Idaho Falls temple, and they enjoyed 64 years of marriage together on earth. Mom was a dedicated and faithful member of the Church of Jesus Christ of Latter-day Saint, and it was a foundation for her and dad's life together. She served in many callings, especially enjoying Relief Society; but perhaps her favorite service was in reaching out to those who needed a meal or a visit. She spoke of her mother as (almost) perfect, and she has been looking forward to being with her again.

Mom and Dad were married on August 14, 1952, in the Idaho Falls temple, and they enjoyed 64 years of marriage together on earth. Mom was a dedicated and faithful member of the Church of Jesus Christ of Latter-day Saint, and it was a foundation for her and dad's life together. She served in many callings, especially enjoying Relief Society; but perhaps her favorite service was in reaching out to those who needed a meal or a visit. She and Dad also served two missions when dad retired.

Of course, Mom's greatest joys came from her family. She and Dad were so proud of their six children, and both church service and education were hallmark teachings in our home. She has missed Dad deeply since he passed six years ago, but her family has filled some of the void: MarLynn Gardner of Orem, Utah; Randy (Ruth) James of Caldwell, Idaho; David James of Hyde Park; Mark (Paige) James of West Bountiful, Utah, Lisa (Neal) Oman of Issaquah, Washington, and Rebekah (Mike) Nielsen of Hyde Park, Utah. She has 24 grandchildren, numerous great-grandchildren and many more to come – she loved children so very much and we feel certain she is already at work with her extended family (both future and past) on the other side!

Marcile was born February 2, 1927, in Shelley, Idaho and raised in the nearby potato-growing community of Jameston, the seventh of ten children born to Dee Aroll (Dave) Roberts and Mable Anderson Roberts. She lived next door, across the street, and down the road from grandparents, aunts, uncles, and cousins. It framed her childhood and the rest of her life as a part of her never left Idaho and the bonds she formed there. She spoke of her mother as (almost) perfect, and she has been looking forward to being with her again.

She and Dad also served two missions when dad retired.

Of course, Mom's greatest joys came from her family. She and Dad were so proud of their six children, and both church service and education were hallmark teachings in our home. She has missed Dad deeply since he passed six years ago, but her family has filled some of the void: MarLynn Gardner of Orem, Utah; Randy (Ruth) James of Caldwell, Idaho; David James of Hyde Park; Mark (Paige) James of West Bountiful, Utah, Lisa (Neal) Oman of Issaquah, Washington, and Rebekah (Mike) Nielsen of Hyde Park, Utah. She has 24 grandchildren, numerous great-grandchildren and many more to come – she loved children so very much and we feel certain she is already at work with her extended family (both future and past) on the other side!

Marcile was born February 2, 1927, in Shelley, Idaho and raised in the nearby potato-growing community of Jameston, the seventh of ten children born to Dee Aroll (Dave) Roberts and Mable Anderson Roberts. She lived next door, across the street, and down the road from grandparents, aunts, uncles, and cousins. It framed her childhood and the rest of her life as a part of her never left Idaho and the bonds she formed there. She spoke of her mother as (almost) perfect, and she has been looking forward to being with her again.

Mom and Dad were married on August 14, 1952, in the Idaho Falls temple, and they enjoyed 64 years of marriage together on earth. Mom was a dedicated and faithful member of the Church of Jesus Christ of Latter-day Saint, and it was a foundation for her and dad's life together. She served in many callings, especially enjoying Relief Society; but perhaps her favorite service was in reaching out to those who needed a meal or a visit. She and Dad also served two missions when dad retired.

Mom and Dad were married on August 14, 1952, in the Idaho Falls temple, and they enjoyed 64 years of marriage together on earth. Mom was a dedicated and faithful member of the Church of Jesus Christ of Latter-day Saint, and it was a foundation for her and dad's life together. She served in many callings, especially enjoying Relief Society; but perhaps her favorite service was in reaching out to those who needed a meal or a visit. She and Dad also served two missions when dad retired.

Of course, Mom's greatest joys came from her family. She and Dad were so proud of their six children, and both church service and education were hallmark teachings in our home. She has missed Dad deeply since he passed six years ago, but her family has filled some of the void: MarLynn Gardner of Orem, Utah; Randy (Ruth) James of Caldwell, Idaho; David James of Hyde Park; Mark (Paige) James of West Bountiful, Utah, Lisa (Neal) Oman of Issaquah, Washington, and Rebekah (Mike) Nielsen of Hyde Park, Utah. She has 24 grandchildren, numerous great-grandchildren and many more to come – she loved children so very much and we feel certain she is already at work with her extended family (both future and past) on the other side!

Marcile was born February 2, 1927, in Shelley, Idaho and raised in the nearby potato-growing community of Jameston, the seventh of ten children born to Dee Aroll (Dave) Roberts and Mable Anderson Roberts. She lived next door, across the street, and down the road from grandparents, aunts, uncles, and cousins. It framed her childhood and the rest of her life as a part of her never left Idaho and the bonds she formed there. She spoke of her mother as (almost) perfect, and she has been looking forward to being with her again.
