Obituary

Linda Faye Young, was born on November 18th, 1946 in Los Angeles, California to Charlie Henderson and Annar Selton Henderson. Linda was fortunate to have two sets of grandparents, Paternal grandparents Jim and Adelyne Henderson, and maternal grandparents Johnny and Evalyna Harris.

Linda has two older sisters, Annie Doris, Evalyne Mitchell and Dorothy Mary Selton Osby. Linda accepted Christ and was baptized at an early age in Victory Baptist Church in Los Angeles. She attended Miramonte Elementary School, Gompers Junior High School and graduated from Centennial High School in Compton, California. Linda worked as a Medical Clerk at Martin Luther King Hospital.

Linda gave birth to three children Nathan, Charise and Shannon. Linda remarried to Claudell Young. She also accepted, fostered and raised two other children with love and care. Years later there was a dissolution of their marriage.

Several years later Linda's health began to decline. On October 13th, 2022 the bells tolled to bring Linda home, at the time she was called to rest. Her parents Charlie and Annar Henderson, Her paternal grandparents, Jim and Adelyne Henderson, her maternal grandparents, Johnny and Evalyna Harris, and her sister Annie Doris Evalyne Mitchell all preceded her in death. Linda leaves behind to mourn her, her children, her grandchildren, one sister other relatives and a host of relatives and friends.

There are no words to ease the pain at a time like this, yet we know you are in a better place. Though we say Goodbye for now it is only until we meet again someday – when emptiness will turn to fulfillment, despair to joy. And you will love again for Eternity in that place where no one grows old. Death leaves a scar on the heart that no one can heal, but love leaves a memory no one can steal.

Weep Not For Me

Unknown Author

Weep not for me though I have gone
Into that gently night
Grieve if you will, but not for long
Upon my soul's sweet flight
I am at peace, my soul's at rest
There is no need for tears
For with your love I was so blessed
For all those many years

There is no pain, I suffer not
The fear is now all gone
Put now these things out of your thoughts
In your memory I live on
Remember not my fight for breath
Remember not the strife
Please do not dwell upon my death
But celebrate my life

Sister's Personal Final Words

To have had parents from the Bayou of Louisiana who raised us with Southern Dignity, wisdom, faith and old-fashioned respect for our Elders and others, we became grateful as we matured.

There were/was times as sisters we would reminisce how much fun it was to shuck corn, and shell peas together in addition to going on those Saturday afternoon rides in those big cars giggling in the backseat together.

Family Love Level

Family Love is who we love, and what Levels of Love we make it to be. It's the ones who we "Show love to" Sometimes by simply offering our time and services is a **Level of Love**. Loving a person at the level they can handle it, **Rather than** the level you want, Loving them at a Level they can receive it is an option.

It has been said "We Only Live once" that's wrong "We Die Once"... "We Live Every Single Day"

I am here to say; so long until I see you again Maintaining consultation in this Final Hour transcends time Forever and My Impeccable Love for you.

Linda, I'll See After While ...

Acknowledgments

Perhaps you sent a lovely card, Or sat quietly in a chair,
Perhaps you sent a floral spray, If so we saw it there.
Perhaps you spoke the kindest words,
As any friend could say. Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts
We thank you so much, whatever the part.
