In Loving Memory of
Darci Rae McGillivary
October 30, 2001—April 6, 2023

Darci Rae McGillivary was born Tuesday, October 30, 2001 in Winnipeg, Manitoba to Betty Packo and William McGillivary. She was raised on Opaskwayak and attended Joe A. Ross School up to grade 6, where she then moved over to Oscar Lathlin Collegiate for junior high and high school. She was currently working on completing her grade 12 at OLC. While in junior high Darci competed in sports like volleyball and basketball.

Darci was many things, she was funny, caring, loving, and very protective of her family. She had a heart of gold. Darci was your friend whether you knew her for along time or just met her. She was always up for going out of town for trips. When you think of Darci, there are many special, funny moments that will come to mind. Darci loved going for rides with her sister Iris and her cousins Kailee and “Machenna”. She was down to do anything adventurous and liked to be outside looking at the stars and the beautiful sunsets that Bracken Dam had to offer.

Darci also loved animals and enjoyed watching comedy and scary movies even though she had this fear of the Michael Myers Halloween Theme song. Darci’s favorite artist was Shawn Mendes, most times you would find her blasting his music and singing and sometimes even crying to many of his songs.

Darci had this special bond with all the babies, younger cousins, nieces and nephews.

Darci lived most of her life with her Nan Lillian. Her late teen years she moved to Bracken Dam with her dad William and twin brother Ian.

Darci will be missed by all who knew and loved her. She left a huge void in our hearts that it will take years to recover from our great loss.
