

Miss Me But Let Me Go

*When I come to the end of life's road
And the final sun has set for me
I want no rites in a gloomy room
For my soul has been set free
Miss me a little, but not too long
And don't let your head hang low
Remember the love that we have shared
Miss me but let me go...*

*This is a journey we all must take
And we each must go it alone
It's all part of God's master plan
I'm free and I'm going home
When you are lonely and feeling low
go to loved ones and friends we know
Remember the love that we have shared
Miss me but let me go...*
