## WHAT'S AHEAD

Do we have to give up the joys of today,  
To prepare for the life that's far away?  
No! For he that truly loves his neighbor,  
And enjoys spending the day in honest labor,  
And keeps himself free from filth and sin,  
A place in God's kingdom is going to win.

For he who lives the golden rule,  
Will surely graduate from life's hard school.  
Many who are engaged in turmoil and strife,  
Find out they are not enjoying this life.  
The ones that are true to family and friends,  
Will find happiness here and joy that never ends.
