REFLECTIONS OF A *Celebrated Life*

On February 21, 1965, in Houston, Texas, a beautiful daughter was born to the late Mr. John W. Williams and Mrs. Lucille Williams. She confessed Christ at an early age and was an active member at Greater New Mount Pleasant Baptist Church and later became a member of Fallbrook Church.

Evan Thompson was a standout track and field athlete at M.B. Smiley High School, where she earned back-to-back State Championship titles in 1982 and 1983. Alongside her teammates, she received All-American honors and was awarded a Certificate of Recognition from the City of Houston for their outstanding achievements.

She continued her athletic career at Prairie View A&M University, where she became an eight-time National Champion and SWAC Champion, competing at both the indoor and outdoor levels.

Evan started her teaching career in H.I.S.D at Holland Middle School. She taught PE and coached track and Volleyball there for 12 years. She then moved on to Aldine ISD to Hoffman Middle School and taught PE while coaching track, volleyball, and basketball for 20 years before retiring in May 2025. She loved working and mentoring students/athletes during her 32 years of teaching and coaching.

On March 22, 1997, she married her soulmate Kirk Delawrence Thompson. They were blessed with two children: Kirk D. Thompson Jr., and Tori R. Thompson.

She leaves to cherish the blessed memories of her devoted husband Kirk Thompson, her children: Kirk D. Thompson Jr. and Tori R. Thompson. Along with her siblings: Edward Williams (deceased), Arline Bolden (Deceased), Gwendolyn Stewart (deceased) (Burnell Stewart), and James Christian (Charlotte Christian) and a sister-in-law Tamar Walker.

She also leaves to cherish her memory of her four nieces whom she held so dear to her heart: Charice Visor (Corey), Niesha Davis (Scott), Brittaney Price (Marcus), and Kayla Walker- and one nephew, Brandon Williams, and other relatives as well extended family members and dear friends.

Evan will truly be missed, but the love she shared will forever remain in the hearts of all who knew and loved her.

Message from Heaven

The day has said goodbye, hold your head up, try not to cry. I have gone home to my Father where my life just begins. Don't ever think the Lord is being unfair, he tried to make everyone well aware. It was not yours to own, my life with you was only a loan. I have graduated from Earth with the highest degree, I majored in life and death and now I am free.

Accept my last certificate with honor and be proud of me. Always remember this was meant to be. I love you and I know you love me, I will always be with you spiritually. You have been there for me, now I must travel alone. I will be waiting to greet you when it's your time to come home.

Loving Farewell Message

FROM YOUR LOVING HUSBAND

Baby words can't express the pain I feel right now. I knew 33 years ago when we met that we would get married and start a family of our own together. Well 29 years of being married to you my vision has become a reality. Thank you for trusting me to be the husband and father to your children you desired by accepting my marriage proposal. My heart aches knowing you will miss our children growing as adults and going through life's challenges. You raised them right, so I know they're going to be fine. Give our mothers a big hug for me and let them know I got THIS! God called you home so I will accept this because we know he makes no mistakes. T4 for LIFE! Until we meet again.

Your Husband, Kirk

FROM YOUR LOVING DAUGHTER

A Mother's love is something that no one can explain. Your love has made a profound impact on who I am and has given me direction. Ever since you've been gone, I feel lost and confused. Confused by the reality that I'll never see your smile again, never hear your laugh or talk with you the way I used to. I feel lost trying to face every day struggles and challenges without you by my side. It feels like a part of me died when you did. Even in this pain, I know that you would want me to keep living and to carry your love with me in everything I do. I will keep doing this in honor of you. I love you mommy. You will always be with me.

Your Daughter, Tori

FROM YOUR LOVING SON

Momma I miss you so much. I'll miss the way you would encourage me when I needed to be encouraged. I will miss all of the memories we shared together. You are the best Mother a son could ever have. You've always been there for me through the good and bad times. I'll do my best to make you proud. No more pain and suffering. You're with God now. Rest in peace Momma.

Your Son, KJ

FROM YOUR NIECES

Aunt Evan,

Saying goodbye feels impossibly heavy, because you were such a steady and loving presence in my life. You had a way of making people feel seen, heard, and cared for, and that is a gift I will always be grateful for. Your kindness wasn't loud, it was gentle, constant, and deeply felt by everyone who knew you.

I will carry with me the memories of your laughter, your wisdom, and the comfort of simply being around you. You taught me so much through the way you lived, how to be patient, how to love without conditions, and how to show up for others with a full heart. Those lessons will stay with me forever.

Even in this sorrow, I find peace in knowing that your love does not end here. It lives on in each of us—in the stories we tell, in the traditions we keep, and in the quiet moments when we feel you are nearby.

Thank you for everything you gave so freely. You will always be a part of me.

With all my love, Charice

I still can't believe you're gone. You weren't supposed to be here forever, but not this soon to part. You were funny, loving, and just a little extra, and that's exactly what made you you.

You made life lighter, even on the hard days. I miss you more than I can put into words, but I carry your Love, Light, and laughter with me every day. Love you always. Your quiet niece who reminds you of granny.

Esha

Evan you were truly a once-in-a-lifetime adventure. The perfect blend of sassy and classy, wrapped in a veil of sparkle. From your jokes, advice, to the life lived, you have impacted those around you more than you ever knew. Your fun spirit will be sorely missed. Get your beauty rest... until we meet again.

Brittaney

Everyday seems unreal that you're not here and I can't think of having any type of celebration without you putting your touch on it or becoming the photographer and posing everybody. I'm going to miss your comedic timing and your unfiltered conversations. Your laugh, your light, and energy will be deeply missed. I love you deeply Aunt Evan.
