

In Loving Memory of

Afterglow

*I'd like the memory of me to be a
happy one.*

*I'd like to leave an afterglow of
smiles when life is done.*

*I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing
times and bright and sunny days.*

*I'd like the tears of those who
grieve, to dry before the sun;
Of happy memories that I leave
when life is done.*

*Liza Elaine
Allen*

"Our Family Caring for Your Family"

Liza Elaine Allen was born on September 9, 1973, to Stanley Paul Allen and Patricia Ruth (Griego) Allen in Glendale, Arizona.

Her father served in the United States Air Force, so Liza spent much of her childhood traveling to various duty stations, an experience that shaped her into the adaptable and warm-hearted person she became. She graduated from Sonoran High School with the Class of 1991. Following high school, Liza attended Angelo State University, where she earned her nursing degree in 1995, pursuing a calling rooted in compassion and care. She went on to serve as a registered nurse for over 25 years, dedicating her life to helping others.

During her college years, she met the love of her life, Jamie Webb, and together they were blessed with two beloved sons who were the center of her world. After completing her education, Liza returned to Altus, Oklahoma, where she made her home, surrounded by family, friends, and a community she dearly loved.

Liza was truly a joy to be around and had a gift for making others laugh. She loved attending comedy shows and concerts, always finding happiness in moments filled with music and humor. She had a fondness for collecting Stanley and Yeti cups, a small joy that brought her big smiles. Liza also cherished the simple moments, like relaxing at home watching movies with her beloved dog, Geli.

Music held a special place in Liza's heart. Any car ride with her was an adventure, with playlists spanning every genre—you never knew what song would play next, but it was always enjoyed. Her favorite holiday was Christmas, as she loved the spirit of togetherness and the opportunity to bless others and bring joy to those around her. Above all, family time was deeply valued by Liza and remained at the center of her life.

Liza passed from this life on February 5, 2026, at her home in Altus, Oklahoma. She was preceded in death by her parents; the love of her life, Jamie Webb; and her sister, Manuela Allen.

Those left to cherish and honor Liza's memory include her two beloved sons, Xavier Webb and his partner, April Godin, and Alexander Webb and his wife, Diana; her brothers, Tony Allen, Patrick Allen and his wife Tammy, Joseph Allen and his wife Lavern, and Peter Allen; her best friend, Amie McDonald; as well as many other family members and friends who loved her deeply and will forever hold her in their hearts
