He is Gone

You can shed tearws that he is gone

You can close your eyes and pray that he will come back
Or you can open your eyes and see all that he has left

Your heart can be empty because you can't see him
Or you can be full of the love that you shared

You can turn your back on tommorrow and live
yesterday

Or you can cherish his memory and let it live on

You can ery and close your mind, —
be empty and turn your back
Or you can do what he would want:smile,
open your eyes, love and go on.
