

For You

Just to look in your eyes again
Just to lay in your arms
Just to be the first one
Always there for you
Just to live in your laughter
Just to sing in your heart
Just to be every one of your dreams come true
Just to sit by your window
Just to touch in the night
Just to offer a prayer
Each day for you Just to long for your kisses
Just to dream of your sighs
Just to know that I'd give my life for you
Chorus
For you, all the rest of my life
For you, all the best of my life
For you alone, only for you
Just to wake up each morning
Just to you by my side
Just to know that you're never really far away
Just a reason for living
Just to say I adore
Just to know that you're here
In my heart to stay
Chorus
Just the words of a love song
Just the beat of my heart
Just the pledge of my life
My love for you
