

Smile

*Goodbye family and friends.  
My soul has taken flight.  
I'm entering the spirit world  
and what a beautiful sight.*

*Peace and love surround me  
in a way I've never known.  
I have the strongest feeling  
that this is my true home.*

*Should you be feeling sorrow,  
don't weep too long for me.  
From earthly cares and suffering  
I have been set free.*

*So goodbye family and friends,  
but only for a while.  
Keep my memory in your hearts,  
and upon your lips... A Smile.*
