I'm Free

Don't grieve for me, for now I'm free,
I'm following paths God made for me
I took his hand, I heard him call
Then turned, and bid farewell to all

I could not stay another day
To laugh, to love, to sing, to play
Tasks left undone must stay that way
I found my peace ... at close of day

And if my parting left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss.

Be not burdened... deep with sorrow
I wish you sunshine of tomorrow
My life's been full I've savoured much
Good friends, good times
A loved one's touch

Perhaps my time seemed all too brief
Don't lengthen it now with grief
Lift up your heart and share with me,
God wants me now ... He set me free.

God's Garden

God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.

He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, "Peace be thine".

It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.
