Celebrating the Life of
Jason Alan Ort
1975 - 2025

Jason Alan Ort, of Linn Creek, Missouri, was born July 30, 1975, and passed away on December 20, 2025, at the young age of 50. He was deeply loved and will be greatly missed by all who knew him.

Jason was a man of strong character, a kind heart, and an honest soul, a true mama's boy at heart. He found joy in drag racing and could often be found talking cars, engines, and speed with anyone who shared his passion. He also had a well-known talent for taking people's money at the poker table—always with a grin and usually a good story to go with it. More than anything, he adored his grandbabies, who were the center of his world and brought him endless pride and happiness.

As the owner of Jims Pro Auto, Jason was widely known for his honesty, fairness, and integrity. People trusted him—not just with their vehicles, but because they knew he would always do the right thing. His business was built on hard work, respect, and treating people right.

He was preceded in death by his father, James Ort and life-long best friends, Jason Jamison and David Ronkoski.

Jason is survived by his mother, Mary Ahl and stepfather

Robert Ahl of Linn Creek, MO; daughter, Samantha Ort of Camdenton, MO; sister, Tara Robbins of Lebanon, MO; nephew, Cody Parsons of Lebanon, MO; niece, Haley Kelm of Lebanon, MO; and his three cherished grandchildren, Elijah, Greyson, and Espen—lovingly known as his little sports center.

Jason's legacy lives on through the family he loved, the values he stood for, and the many lives he touched. He will be remembered for his generosity, dedication, and the genuine care he showed to everyone he met.

Jason's greatest joy was time spent with his grandbabies, whose laughter meant everything to him.

When he wasn't with family, he was happiest at the track, feeling the roar of engines and the thrill of drag racing—something that never left his soul. These moments defined him, and his memory will live on in every life he touched.
