### *Letter to My Sister in Heaven*

They say there is a reason  
They say time will heal;  
Neither time or reason  
Will change the way I feel.  
Gone are the days  
We used to share  
But in my heart  
You are always there.  
The gates of memories  
Will never close;  
I miss you more than  
Anybody knows...  
Love and miss you everyday  
Till we meet again  
Always & Forever
