LIFE'S REFLECTIONS

Earl Claybon Green

"To every thing there is a season, and a time to every purpose under the heaven:"
Ecclesiastes 3:1 KJV

Earl Claybon Green was born om September 8, 1948, in Strong, Arkansas. Earl was one of seven children (Huey, Ruben, Betty, Gloria, Marie and Deloris) born to Electa and Serrilla Smith, all which preceded him in death.

While born and raised in Arkansas, Earl later moved to Detroit, Michigan where he met Dorothy Newton and later married her on March 15, 1969. To this union one child, Tina, was born. Both Dorothy and Tina also preceded him in death.

Earl worked for General Motors for over 30 years; after retiring Earl moved his family to Mississippi where he lived until his untimely demise.

Earl enjoyed all things outdoors, whether it was working in his yard or washing his truck. Earl's greatest passion was fishing and hunting, things he did often until his health started to decline.

Earl leaves to cherish his memories his one and only grandson Tyler, and a host of nieces, nephews, cousins and friends.

I MADE IT HOME

I just wanted to let you know that I made it home.
The journey wasn't an easy one, but it didn't take too long.
Everything is so pretty here, so white, so fresh and new.
I wish that you all could close your eyes and that you could see it too.
Please try not to be sad for me. Try to understand
God is taking care of me... I'm in the shelter of His hands.
Here there is no sadness, no sorrow, and no pain.
Here there is no crying and I'll never hurt again.
Here it is so peaceful when all the angels sing.
I really have to go for now... I've just got to try my wings.
