

When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you through the years.

But start out **BRAVELY**
with a *gallant smile*;

And for my sake
and in my name,
LIVE ON and do all things the same,
Feed not your loneliness on empty days,

But fill each waking hour in **USEFUL** ways,
Reach out your hand in
Comfort and in *cheer*
And I in turn will **COMFORT YOU**

And hold you near;
And never, never be afraid to die,
For I am **WAITING FOR YOU** in the sky!
