Fishing Lake Anglican Cemetery
Fishing Lake First Nation, SK

Traditional Feast to Follow

Obituary

It is with heavy hearts that we announce the passing of Barry James Kayseas at the age of 65. Barry was born on May 31, 1960, in Wadena, Saskatchewan. He passed surrounded by his loving family on October 17, 2025, in Calgary, Alberta.

Barry loved spending time with his children and grandchildren; they were his pride and joy. He would always beam with pride whenever he mentioned his daughters, grandsons, and his grandpups. He was always proud beyond measure of their accomplishments.

Throughout his life, Barry was a very hard worker. From the young age of 4, he began working with his parents. He was a master carpenter, drywaller/taper, and an all-around very creative, active person who took pride in his work. He is known for his carpentry skills and was often found spending countless hours on job sites across Saskatchewan and Alberta. He was a third-generation journeyman carpenter.

Barry was also an avid artist, talented in drawing, sketching, and painting in his free time.

He was a kind, loving, and caring person who would help everyone and anyone in any way possible. He would never ask anyone for anything in return—that is just who he was. He offered help, prayers, guidance, and support to anyone in need.

He loved to joke and tease people. If you spent time with him, he would be joking, laughing, and teasing everyone. He had a great sense of humor and was a storyteller.

Barry was a traditional spirit who carried strength, prayer, and guidance throughout his life on a daily basis. He instilled the importance of prayer, culture, and humbleness in his children, friends, and family.

He is predeceased by his late parents, Florence and Jerry Kayseas; late grandparents, Mark and Violet Desjarlais; late grandparents, Marjorie and Henry Kayseas; late brother Harvey Kayseas; and a late child lost in infancy.

He is survived by his daughters Jenine, Niki, Cheyenne (Amy), Florence (Ridhit), Kelly Dawn, and special niece Melissa. Grandsons James and Ryan. He is also survived by seven grandpups. His siblings include Gwen (Mike), Brenda (Bob), Sharon, Bob (Marlene), Don (Verna), Rhonda, and adopted brother Ross Cadotte (Sharon). He leaves behind numerous friends, sweat lodge family, and other family members (too numerous to name).

*Teach your children to Pray.
You won't be around all their life but
the Creator will.*

Our family would like to thank everyone for the prayers, love,
assistance and support during the heartbreaking loss of our dad.
All my relations.
