# OBITUARY

Mr. Tommie Dominec Anderson, son of Yvonne Collette Frazier and Tommie Anderson Jr was born December 30, 1988 in Baltimore, Maryland. On Thursday June 1st, 2023, God in his infinite wisdom called Tommie Dominec Anderson to rest with him in eternal peace in the solace of his own home.

He attended Maryland Public Schools and graduated in 2006 from Florence Bertell Academy in Baltimore County. At an early age, he dedicated his life to Christ and later joined Lighthouse Worship Center in Baltimore, Maryland where he served eagerly as a faithful member and staff.

Tommie was a creative with a passion for drawing and music. He aspired to be a DJ spending many hours a week practicing his craft and creating sweet beats as DJ Cavity. He also entertained the idea of opening his own business customizing shoes and apparel. Tommie found infinite joy in making his friends and family laugh with impromptu stand-up comedy, game nights and his love for 90's sitcoms.

Tommie was a devoted son, grandson, brother, nephew, cousin, uncle, and friend. He was the puzzle piece that connected his Salisbury, MD, Baltimore, Md, North Carolina, and Middle Georgia families. Despite his health issues and challenges, Tommie acquired and maintained his own home for over 10 years with the assistance of a dedicated staff. (Rick, Kevin, Monte, Dwayne, Tezzy, E.J. and Ivory)

Striving to continue the legacy and treasuring the love and memories are: His mother, Yvonne Frazier; his father, Tommie Anderson Jr.; his (maternal) grandmother Anne Carter (Johnnie Carter Jr.) and his (maternal) grandfather Willy 'Tunk' Frazier; (paternal) grandmother Patricia Yarbor and (paternal) grandfather Tommie Anderson Sr.; his sisters Jazmine Anderson, Destinee Frazier, Egypt Battle, and Alexis Anderson, and his only brother Tommie Jermaine Anderson; his two nieces Charlie Reaves and Treasure Anderson and his nephew Nathaniel Thomas, four aunts, Aunt Chrissy, Aunt Tweety, Aunt Nissi, Aunt Sarah, five uncles, Uncle Marcus, Uncle David, Uncle Jay, Uncle Mann, Uncle QB and a host of cousins, family and friends.

Dear Son,

You saved my life at a young age, I had no clue what parenting was about but I knew that it was me and you against the world. You were the first of my 3 heart beats... Though my heart will always long for you I will be forever grateful for the 34 years God allowed me to serve as your mother, guardian and protector. I LOVE YOU AND THANK YOU FOR TEACHING ME WHAT LOVE IS!!!!!!!!!!

Mommie loves you forever, until we meet again

### *My son*

*I have never loved a child person the way I loved my 1st born. Tommie is the child that taught me how to parent, the child that taught me how to love another male properly (man to man). He meant the world to me. I apologize for not giving enough but I tried to give what I could. Keep watching over your old man. Love you Lil man, peace. (Dad)*

### *To My Big Brother*

*Of all the things I could say to you, I just want to thank you for showing me how to live life to the fearlessly. For showing me no matter how hard life gets, a smile the cheapest thing a person can keep in their back pocket and I will forever remember yours. Thank you for always being my protector. I love you to the moon and back a million times over.

### *Letter to my Big Brother*

*There is so much I can say but time no longer allows. Of course we argued, of course we fought and we apologized and loved on each other like any other siblings. We overcame the 15 year gap and built a beautiful relationship. You were the best big brother I could ask for, always loving me unconditionally. It was you who inspired me to realize my dream of being a child therapist, who specializes in children with disabilities. I want to ensure no disabled children have to feel alone or feel that they don't have anyone to talk to... I am so grateful for the memories and love we shared. I love you and miss you more than words can explain  
~Love Des*

WITH ALL MY LOVE GRANDMA PAT*
