# *When Tomorrow Starts Without Me*

When tomorrow starts without me, And I'm not here to see  
If the sun should rise and find your eyes, All filled with tears for me  
I wish you wouldn't cry, The way you did today  
While thinking of the many things, We didn't get to say  
I know how much you love me, As much as I love you  
Each time that you think of me,  
I know you'll miss me too  
When tomorrow starts without me,  
Please try to understand  
That an angel came and called my name,  
And took me by the hand  
The angel said my place was ready,  
In Heaven far above  
And That I would have to leave behind,  
All those I dearly love  
But when I walked through Heaven's  
Gates, I felt so much at home  
When GOD looked down and smiled at me,  
From his golden throne  
He said, This Is Eternity, and All I promised you  
Today your life on earth is done, But here it starts a new  
I promise no tomorrow, For today will always last  
And since each day's the exact same way, There is no longing for the past  
So when tomorrow starts without me, Do not think we are apart  
For every time you think of me, Remember I'm right here in your heart.
