Family Tree

*There's love within our family tree
and happiness abound.
Its roots are deeply planted
in rich and fertile ground.*

*We enjoy the rays of sunlight,
and endure the winds and rain,
and when a leaf falls from our tree,
together we share the pain*

*God gave us earthly families
and never did intend,
that bonds of love built on Earth,
upon our death should end.*

*For when our life is over
and from earth our souls will flee ,
one by one, leaf by leaf
He'll rejoin our family tree.*
