

My Dad's Journey:

Don't think of my dad as gone away,  
His journey's just begun.  
Life holds so many facets—  
This earth is only one.  
Just think of my dad as resting  
From the sorrow and the tears,  
In a place of warmth and comfort,  
Where there are no days and years.  
Think how my dad must be wishing  
That we could know today,

How nothing but our sadness  
Can really pass away.  
And think of my dad as living  
In the hearts of those he touched.  
For nothing loved is ever lost,  
And he was loved so much.  
Your Daughter,  
Shauntrice Finch

# The Obituary

Anthony Ricardo Finch was born on January 6, 1968, in Boston, Massachusetts, to the late Shirley Finch and Emerson Clarke.

Anthony departed this earthly life and went home to be with our Lord on July 30, 2025. He received his education from Triton High School in Erwin, NC, graduating in 1989. He was employed at Advance Concrete LLC in Garner, NC.

Anthony was baptized at a very young age.

He was a person of great strength and had a good sense of humor. He always wanted to go fishing early every Monday morning. He also enjoyed cooking good spicy food—but most of all, he enjoyed doing whatever he could for his son and family. He loved them with a passion like no other.

Anthony leaves to cherish his memory his wife, Kerky Finch; his children, Shauntrice Antoinette Finch, Chayzan Lewis, and Jariel Anthony Finch; his siblings, Shedrick (Gladys) Finch of Pine Level, NC, and Atyia (Euron) Kelly of Brockton, MA.

He is also survived by David Clarke, Alfred Clarke, and Michael Raines of Boston, MA, and Andrew (Jackie) Atherley of Long Island, New York; along with a host of nieces, nephews, other relatives, and friends.

Special people in his life include Milton Draughon, Marvin Chance Jr., Reggie Finch, and some longtime fishing buddies—Johnny Thompson and Felix.

We are going to truly miss him.
