EVANS

I Am Held in His Light

Do not grieve as though I'm lost,
For I am held in His embrace.
The One who gave me life on earth
Has called me to a brighter place.

My pain is gone, my soul is free.
I rest where peace will never end.
And in His love, I've found my home.
Where broken hearts begin to mend.

Though you may weep and miss me still,
Do not let sorrow dim your way.
For God now holds me close in light,
And walks beside you every day.

We are not parted, not for long.
His promise keeps us, strong and true.
And when He calls, we'll meet again in endless love,
made whole, made new.
