

Remembering Carol

On May 4, 2026, Carol (Brandt) Moen (82) of Hot Springs, SD, heard the loving voice of God, "Carol, my child, it's time to come home." Her spirit soared into the Heavens where she is reunited with family members that have passed on before her. There is much rejoicing in the place of eternal light because one who loves God has come home.

Carol was born September 7, 1943, in Bottineau, ND, to Herman and Hulda (Gienger) Brandt. She graduated from Upham High School, then went on to Forestry School in Bottineau. She was married to Lyle Moen in 1964 and had 3 children (Cheryl Moen, Stewart Moen, and Brenda (Moen) Thomas. They made their home around Knox, ND where they ran a farm until 1977. They moved to Hot Springs, SD in 1978 where she had multiple jobs (accountant at Southern Hills Appliance, co-owner of Home Appliance Center, server, bakery, prep-cook at the State Home, and had her own house cleaning business). She loved taking care of all her flower beds and plants that she grew at her house. Her pride and joy were her children, yard and flowers/plants, her dogs and cats, and square dancing.

She was preceded in death by her father, Herman Brandt; mother, Hulda Brandt; brother, Dayton Brandt; brother, Clayton Brandt and daughter Cheryl Moen.

Carol is survived by her children, Stewart Moen of Maryville, TN and Brenda (Terry) Thomas of Hot Springs, SD; multiple step grandchildren; step great grandchildren; step nephews; step nieces and many extended loving family members and friends.

John 14:27

Peace I leave with you, My peace I
give to you; not as the world gives do
I give to you. Let not your heart be
troubled, neither let it be afraid.

God Saw

God saw that she was getting tired,
A cure was not to be.

So he put His arms around her
And whispered, "Come with Me."

With tearful eyes, we
watched her suffer.

And saw her fade away.

Although we loved her dearly,

We could not make her stay.

A golden heart stopped beating.

Hard working hands to rest.

God broke our hearts to prove to us

He only takes "the best"
