Carthion M. Jenkins was born on March 27, 1938, to the union of Luther and Marie Jenkins in Baltimore, MD. Ms. Jenkins was one of six children. She was fondly known as "Kaye". Her favorite color was blue and she loved fashion and gardening.

Kaye was educated by the Baltimore Public School System. She graduated from Dunbar Senior High School, Cortez Business, and Morgan State College with a Bachelor of Science in Business. Her passion for accounting led to her positions at The Bank of Baltimore and Wells Fargo. After 40 years of service, Carthion retired from the Bank of Baltimore as its last full-time employee. With her love of nursing, Kaye became a nursing assistant and then a licensed phlebotomist after retiring.

In the 1960's, she married Leslie Keith Carter. The union was blessed with the birth of Torrion L. Carter on July 30, 1973. Carthion and Keith were divorced in the early 1990s but remained good friends until his death in 2006.

She departed this life on the early morning of October 31, 2023, in Baltimore, MD at the age of 85. She leaves behind her older brother, Larry Jenkins, daughter, Torrion L. Carter, granddaughter, Ryan Lewis, nieces, nephews, and friends.

*My Beautiful Sister
may not always be
at my side,
but she will always remain in my
heart.*

*Your Loving Brother,
Larry*

*Those we love remain with us.
Their memory lingers on,
cherished memories never fade
because a loved one's gone.*

*Those we love can only be
just a thought apart.
Those we love don't go away.
They live within our Hearts.*

*With Love,
Torri*
