### Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair.  
Perhaps you sent a funeral spray, If so we saw it there.  
Perhaps you spoke the kindest words, That anyone could say.  
Perhaps you were not there at all, Just thought of us that day.  
Whatever you did to console our hearts, We thank you so much.  
The Family of Preston Arthur Jungwirth

We'll miss your laugh, a  
Sound so bright and free,  
The spirit of a boy, just fourteen.  
You taught us joy in ways we couldn't see,  
A love so pure, a memory serene.

Though our hearts ache and tears still fall like rain,  
we find you in the stars, the setting sun.  
You left a light that time can't ever wane,  
our beautiful son, your journeys just begun.

You live within our hearts, a cherished part,  
A son, a brother, a beautiful soul,  
Forever loved, Always in our hearts.  
You made our family and our world whole

## A Heart Of Gold

**Preston Arthur Jungwirth**  
**December 27, 2010 ~ September 9, 2025**

*Preston Arthur Jungwirth was born on December 27, 2010 to a loving family. He was a robust and happy baby, always giving a smile to everyone, especially his brothers Trey and Kayden.*

*He loved playing outside! Climbing trees, playing with his blocks and cars, riding his bike, and learning to use his LaCrosse stick so he could play like his "big brothers". He was brave. He was loving. He was smart. He was funny. He loved veggies and ranch dressing. :-)* He was so loved by everyone.

*On January 11, 2016 the world changed for Preston and his family when he was hit by a car, suffering 3 traumatic brain injuries. He became dependent and life became focused on Preston's needs. Doctors, hospitalizations, and therapy became the norm. The family, Colonta, Jenna, Trey, Rashaad, Kayden, and Razziah ensured all of Preston's needs were met. As Preston got older his smiles got bigger (especially when dad Colonta played with him or when he heard him say a cussword).*

*He let us know when he was happy and feeling the love. He learned to blink to say "yes" and held his eyes wide open for saying "no". He could share his feelings and his joy. Preston's biggest advocate and LOVE was his momma, Jenna. Her love and care 24/7 for almost 10 years kept him in our lives longer than medical science could predict. Truer love there never was than that between Preston and Jenna.*

*On September 9, 2025 at Denver Hospice, God greeted Preston with love and open arms. Family and friends surrounded him as he went towards the light and soared with the angels. He is free of his earthly body and playing in the streets of heaven!*

*Preston Arthur or "P" or Peanut as we called him is survived by his parents, Colonta and Jenna White, and David Jungwirth; siblings, Trey Jungwirth, Kayden Jungwirth, Rashaad White, Razziah White, and Calvin Tucker; nephew, Jordan Jungwirth; grandparents Rosa Herman, Mike and Debra Quenzer; aunts Denise Quenzer and Monica McGee; uncles Jayme McGee, Eric Quenzer and Jonathon Nelson; special friends and caregivers, Sam and Fona Robinson, Laura Brennan, Gaye Calvert, Larry Campbell, Brandy and Steven Anderson, Tina Nelson, Jeff Reimer, Karlene Hermatin, Jennica Johnson, Amber Coventry, Jerry Caruso, Allie Evans, Natalie Kohne. He also leaves behind cousins, great aunts and uncles, and tons of supporters of Preston and his family.*

*Thank you to everyone at Children's Hospital who cared for Preston through all of these years, especially Dr. Rachel Wright, Denver Hospice, and minister and friend, Vanessa Trammell.*

*We appreciate all of you being here and for all of the support we have had. Thank you!*

*Please join me in singing "Jesus Loves the Little Children".*
