Forever 21

*Twenty-one years were all you stayed, yet in that time, so much was made—
A laugh that lingered in the air, a light that showed how much you cared.
Too young, we say, and still we grieve, for all the dreams you didn't leave,
Unfinished paths, unopened doors, and love that always asked for more.
But in our hearts, you do not fade, you live in every choice you made,
In every smile, in every tear, in all the ways you're still so near.
Though time was short, your impact was deep, your memory is ours to keep.
Forever loved, forever true, the world is softer knowing you.*

WE LOVE YOU
