

In Loving Memory

The Dance

Looking back on the memory of the dance we shared 'neath the stars above

For a moment all the world was right, how could I have known

That you'd ever say goodbye

And now I'm glad I didn't know

The way it all would end, the way it all would go

Our lives are better left to chance

I could have missed the pain, but I'd have had to miss the dance

Holding you, I held everything for a moment

Wasn't I a king

But if I'd only known how the king would fall

Hey, who's to say, you know I might have changed it all

And now I'm glad I didn't know

The way it all would end, the way it all would go

Our lives are better left to chance

I could have missed the pain, but I'd have had to miss the dance

Yes, my life, it's better left to chance

I could have missed the pain, but I'd have had to miss the dance

Keeper of the Stars

*It was no accident me finding you
Someone had a hand in it long before we ever knew
Now I just can't believe you're in my life
Heaven's smilin' down on me as I look at you tonight*

*I tip my hat to the keeper of the stars
He sure knew what he was doin' when he joined these two hearts
I hold everything when I hold you in my arms
I've got all I'll ever need thanks to the keeper of the stars*

*Soft moonlight on your face, oh how you shine
It takes my breath away just to look into your eyes
I know I don't deserve a treasure like you
There really are no words to show my gratitude*

*I tip my hat to the keeper of the stars
He sure knew what he was doin' when he joined these two hearts
I hold everything when I hold you in my arms
I've got all I'll ever need thanks to the keeper of the stars*

*It was no accident me finding you
Someone had a hand in it long before we ever knew*
