The Reunion

*There are family reunions in Heaven
when from this Earth we flee,
and what wonderful reunions
the ones up there will be.
Loving arms will reach to us
for a long awaited embrace,
and tears of joy will fall like rain
when we see each other’s face.
From this earth all will part
but family bonds built here
are bonds built for forever,
and bonds forever dear.
Our loved one we will miss you
but we’ll see you by and by.
at a glorious reunion
up there in Heaven’s sky.*
