①
My Fields of Color
I have walked through forest of green
and fields of color, beautiful beyond words
I have been warmed by rays of golden
sun as it danced across my face
I have been kissed by the soft fine
rain, as clouds appear, and the storm wraps
itself around my fields of color, A flash,
then a clap of thunder rumbles, then complete
silence then the fine rain falls upon the
waiting earth

So is the way of life
A beautiful field of color, with happiness
beyond words, Golden warm days of love + joy
Then comes the rain with heavy clouds
to darken my skies of blue, and fades my fields
of color, and shades of gray appear

I make it through life's stress with
its shadows of gray
Life goes on and time passes
I walk again through my fields of color

2
and warm breezes gently toss my hair
against my face

The fragrance of new blossoms
tickle my senses
I feel happiness, joy and excitement
coming back

My fields of color and skies of blue
have returned to rejuvenate my mind + soul
I know the dark clouds and shades
of gray will return, but I will look for
the silver lining that I know is there

My fields of color with its beauty
will return
I will run through my fields of color
looking for joy and happiness again, gathering
strength to face the dark clouds and shades of
gray - that will come again

I am humbled by my existence
among this beauty, created by our father
who is in heaven - I am thankful for my
life upon this beautiful planet called earth -
