THE LIFE AND LEGACY OF  
**MR. DARIO**  
*"Panda"*  
**JIMMERSON**

Dario "Panda" Jimmerson was born on July 15, 1986, in Las Vegas, Nevada, to the union of Lee Jimmerson Sr and Marilyn Jimmerson. He attended Jo Mackey Elementary, West Middle School, and later graduated from Cheyenne High School in 2004. After high school, Dario dedicated his time to serving his community, working for both the City of Las Vegas and the City of North Las Vegas. He also worked ten years at the Grand Lux Cafe located inside the Venetian Hotel. He found his true calling at KinderCare, where he worked with children—a job he loved the most.

Dario's joy for life was contagious, and he was always the life of the party. His smile could light up any room, and his energy made everyone around him feel welcomed and uplifted. He loved to sing and dance, joining the step team in high school and later recording music with his two brothers under the name "The Truth." His passion for music started in middle school when Dr. Anthony Marentic introduced him to the clarinet, and that love for rhythm and expression stayed with him throughout his life. Dario also had a love for the outdoors and spent time fishing and cooking with his dad, moments he truly cherished. His passion for sports extended beyond playing football—he had a deep commitment to coaching and mentoring young athletes, always eager to pass on his knowledge and inspire the next generation.

Dario is survived by his loving parents, Lee Jimmerson Sr. and Marilyn Jimmerson; his sister, Teri Stevens; and his brothers, Lee Jimmerson Jr. and Emmanuel Jimmerson. He leaves behind three nephews, Ja' Vontay Hill, Devonn Jimmerson, and Amari Jimmerson, as well as two nieces,

Mi' Kayleah Green and Zyriah Taylor, all of Las Vegas. He is also survived by a host of cherished aunts, uncles, cousins, and friends. Dario "Panda" Jimmerson will be deeply missed by all who had the privilege of knowing and loving him.

## DEFINITION OF FRIENDSHIP

From day one we were inseparable. When people saw you they saw us. From school, to after school, to the weekend and at each other's house. Hanging out all over town and taking over houses and acting a fool. To holding parking lots down all night. I'm thankful for each and every memory we made and shared. Every picture and video taken. Those will last forever. From kids to teenagers to adulthood we had our difficult times. But we always made it through it all. The support was always there. Phones always answered and understanding judgement free zone. Long discussions, resolved issues and laughter. Welcoming families and lifelong connections made. I'm so proud of you for living in your truth unapologetically. And finding your comfortable place in life. Thank you for being you. Thank you for showing me other ways of life. And most importantly, thank you for always being real and true to you. You fought as long as you could. Now you'll live on through us. Your spirit is and was so amazing that nothing but great things will always be said about you. You're that forever memory that makes the world smile. And I'm so thankful for being able to know you. You'll always be in my heart.

Rest comfortably best friend, job well done.

Love you forever, Mary Kate

## "MY LOST LOVE"

By Anne Spiller

I have only just lost you; the pain is hard to bear.  
Do I have to go through life knowing you're not there?  
Please, someone explain to me why he had to go.  
Are there any reasons, I really need to know?  
I sit here and remember all the lovely times we shared,  
the talks, the laughter, of everyone you cared.  
I am told the pain will ease in time  
and I will think of him without a tear,  
but that will be impossible as I need to have him here.  
He was my very world, my ever-guiding star.  
Just kiss me softly on the cheek and tell me where you are.  
Forever in my heart, Kali
