Obituary

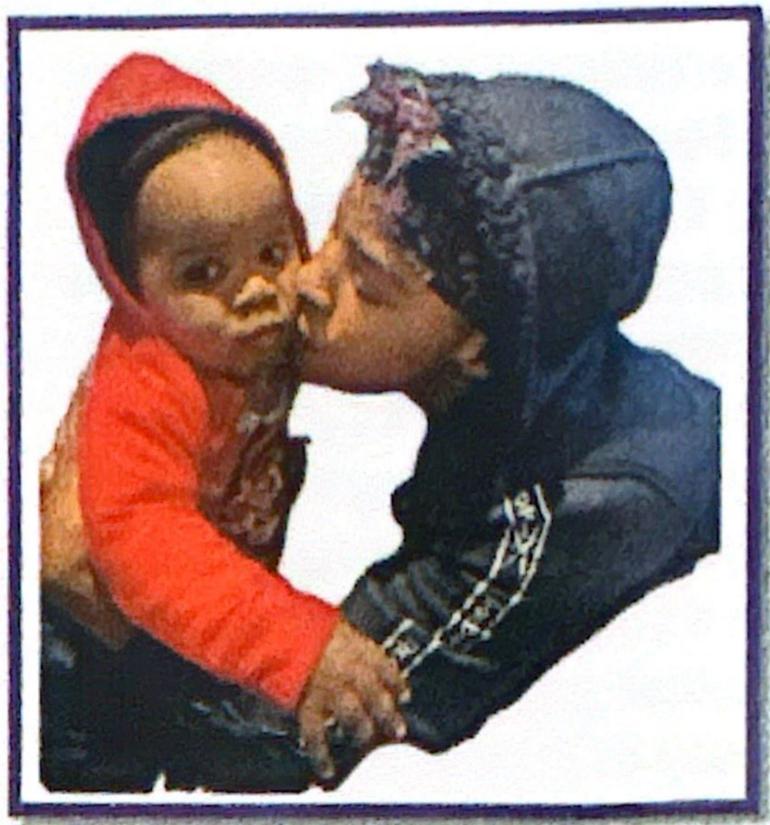

Sylvia Capresha Washington

departed this earth on May 26, 2024. She was the third child of LaToya Jackson & Rickey Washington, born January 7, 2004, in Houston, TX.

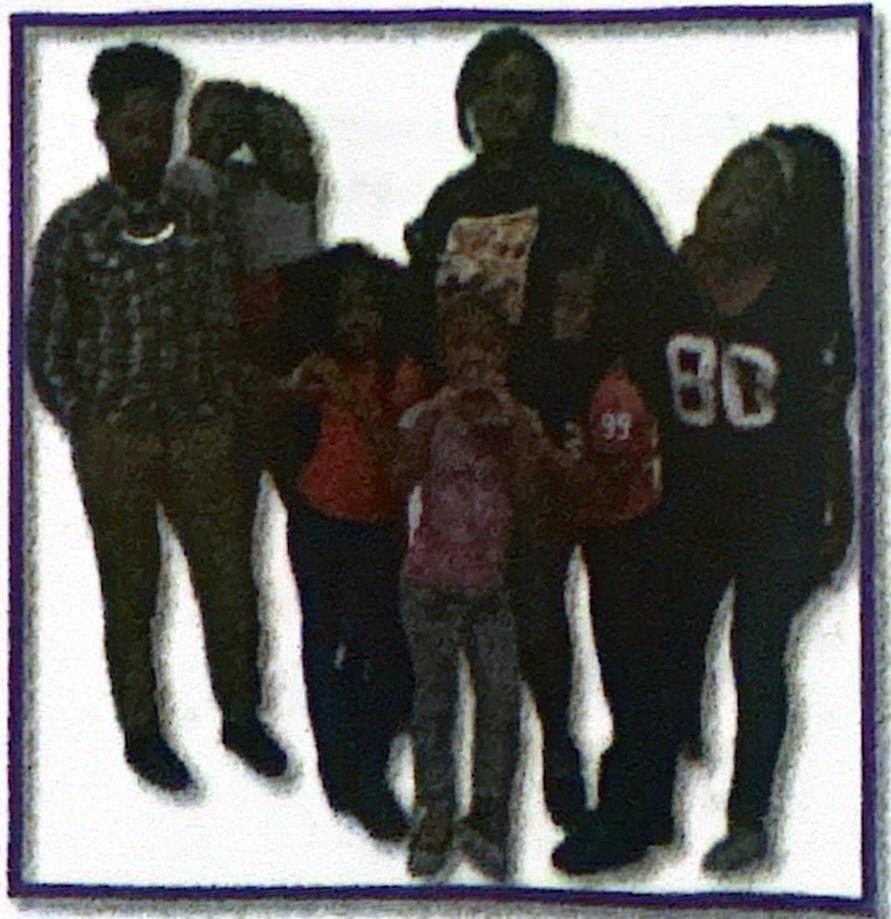

Sylvia loved doing hair, it didn't matter if it was braids, quick weaves, sew-ins, silk press – whatever hairstyle you wanted, she could create it. She made a lasting impression on people from her being funny and she loved to talk mess! Her favorite pass times were hanging with her cousins and let's not forget her love for her baby boy Donovan. He was always hanging on his mommy, and she loved taking him to the park.

She was preceded in death by her Maternal Grandparents Patricia & Gilbert Edwards, Len Jackson and her aunt Latrivia James and cousin Kashala Francis. Along with her Paternal Grandmother Carolyn Washington.

She leaves to cherish her memories her mother: LaToya Jackson (Christopher Johnson). Her father: Rickey Washington Sr. (LaKeysha). Her love, Donovan Massey Sr. and their son Donovan Massey Jr. Eight Sisters and Brothers: Tatyana Jackson, Tanequa Jackson, Rickey Washington Jr., Robert Washington, Rikki Washington, Carolyn Washington, Miracle Washington and Kiana Washington. Her Cousins in which she loved hanging out with along with a host of other family members and friends.

I've started this message over a few times.. Because it all just seem so surreal. There are so many things we didn't get the chance to do, but I'd like to thank God and be grateful for the moments we've shared. The good, the bad and the ugly. I always tell people I don't have favorites, but wonder if you remember the day I told you that you were mine. I just wanna say thank you for being my little sister. The one who was compassionate but always down for the cause no matter the opponent. The one who always had a story to tell no matter the occasion. That girl with the dimples. I love you always and infinity!

Ty

If I could see you one last time... I would hug you tight and tell you I love you. I'm gonna miss the big smiles you give me every time I see you. I never felt like I wasn't wanted around you. You've shown me nothing but love and I love you for that.

Tanequa

I'm your freaking father (lol). I remember I told you that... and you know that was our thing. But yo son good - love you.

Rickey Jr.

I'll always miss you... I love you!
Until we meet again.

Rikki

To Our Sister Sylvia

Heeyyy Sylvia, it's been some days now since you left us. It's still messed up to me how you left us so early, but I guess you are in a better place now. Just watch over the family for us please, we can't afford another standing on the streets for hours. I love you girl you'll be missed but never forgotten.

Robert

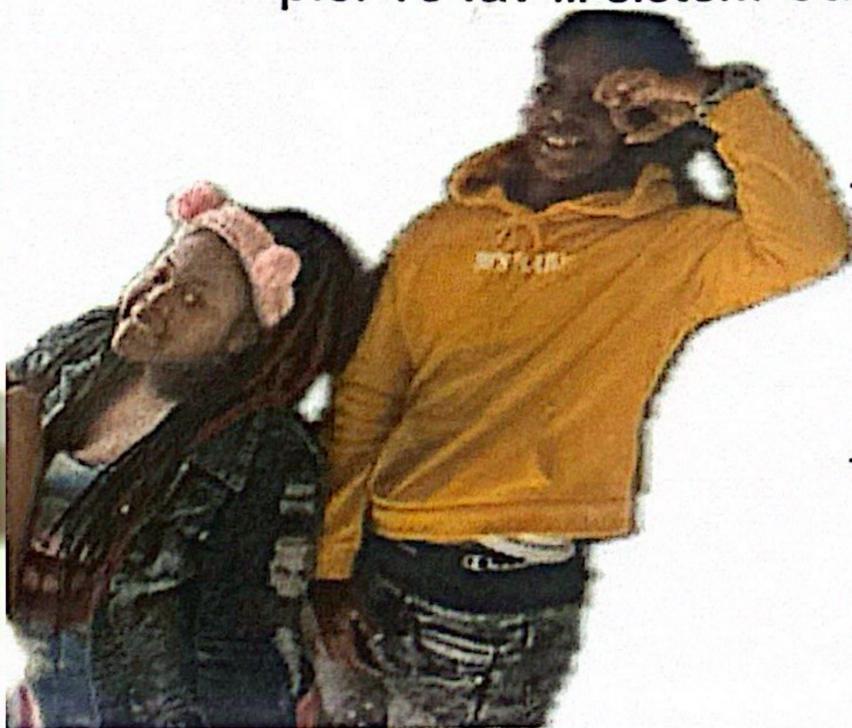

Hey Sylva girl, it's me Kiana. I know we didn't get along all the time but when we did, I enjoyed the times. You remember the time I stole that soda and they were saying, "Kiana, put that soda back" and you was like "no, that's for me". We walked to the park that day and you let me have it. I thank you for that. Love you lots sissy.

Kiana

Hey Sylvia. It's been a month since you passed. I can't say this my last time talking to you because I still text you here and there to let you know how I'm doing, even though I ain't gone get a response. But girl it's so much I can say right now but I don't want to keep you waiting... Sylvia, I made it out of the 9th grade it was hard, but I did it! A couple more years and I'm going to walk across the stage just for you and say, "I made it Sylvia!" With a big smile on my face! I just want to say I'm gonna miss arguing with you, talking to you about all my problems. Telling you about my fights and hearing you laugh about them. Your smile, playing in your hair, waling to Aunt Michelle old house with you, lying for you knowing I'm gonna get in trouble (if mama found out), arguing with Miracle and them and asking me who side I'm on, your dance moves (even though you couldn't dance), you sleeping with me (even though I hated sleeping with you and poppa cause I never had space), you making me food, you always being on my side, you listening to me talk, just everything!!

But I love you girl lots!

p.s. Yo fav lil sister.. Carolyn Seven Washington

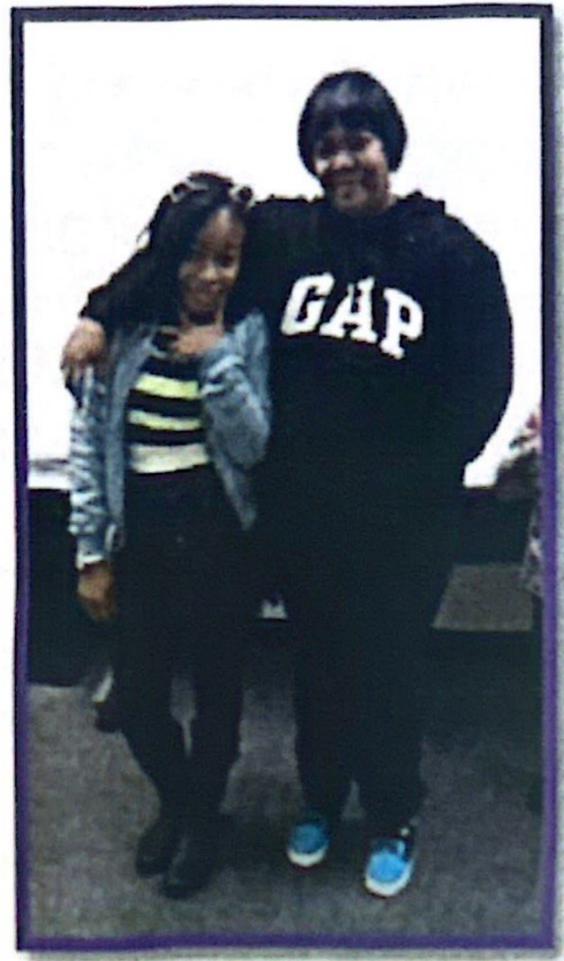

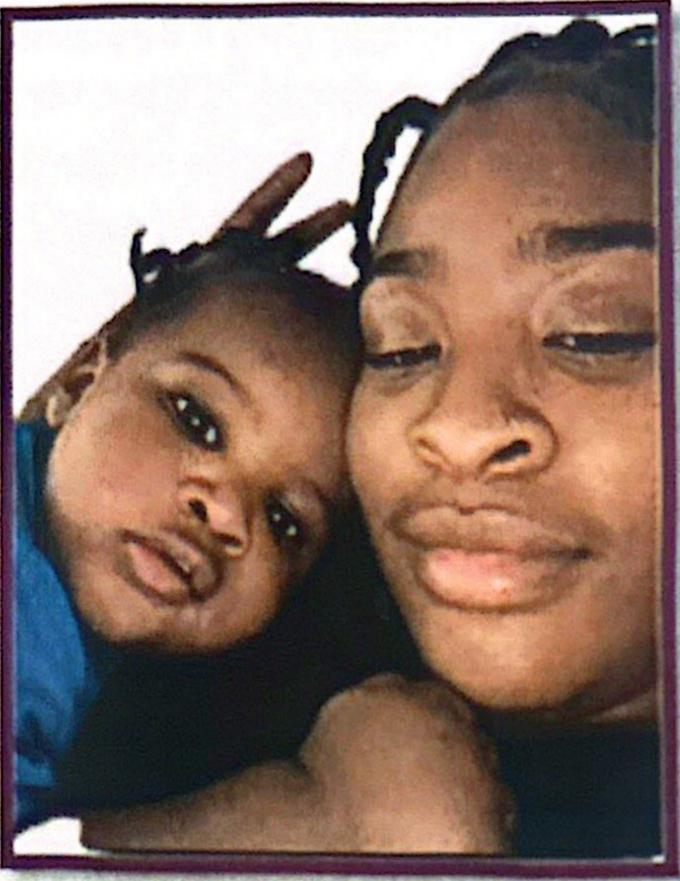

*We miss you....
Forever in our
heart!*

Hey Sylvia, I know we were never that close, and we always fought but I truly regret every second. I wish we were close because it's hard going everyday without you and knowing we never had a true bond. Don't worry I will watch after poppa and make sure he gets everything he wants. Watch over us and I will forever love you.

Miracle

We will never be the same
