Dear Georgia Ree Mosley
(Mema)

Even though evearyone tells me that you're in a better place and you're not in pain, I know this to be true, but it still hurts me to my soul that you are gone I basically worked all my life and never really got to spend quality time with you when I finally got the time (Retirement) to spend with you GOD calls you home I know that you're not supposed to ask, why so I'm trying not to.So instead , i'm trying to cherish the time we share together since my retirement until we meet again.
