MISS ME BUT LET ME GO

When I come to the end of the road
and the sun has set for me

I want no rites in a gloom-filled room,
why cry for a soul set free?

Miss me a little-but not too long and
not with your head bowed low

Remember the love that we once shared,

Miss me-but let me go

For this is a journey that we all must take
and each must go alone.

It's all part of the Master plan a step on the road to home

When you are lonely and sick of heart,
go to the friends we know

And bury your sorrows in doing good deeds

Miss me but let me go
