

Her Journey's Just Begun

Don't think of her as gone away—
her journey has only just begun.
Life is full of many paths,
and this world is only one.

Think of her as resting now,
free from sorrow, free from tears,
in a place of warmth and comfort,
where there are no days or years.

Imagine her gently wishing
we could see and understand—
that only our sadness truly fades,
while love forever stands.

Hold her in your heart always,
for she lives in those she touched.
Nothing loved is ever lost—
and she was loved so much.
