

To Our Daddy

We thank you for showing us the special bond a daughter should have with her father.

Thank you for teaching us that laughter can ease even the deepest pain.

Thank you for reminding us that together, we are always stronger.

Thank you for showing us that success is not given; it is something worth chasing.

Thank you for being our first guide, our protector, and our greatest source of strength.

Most of all, thank you for giving us a love that will last forever.

Love Always,
Your Daughters,
Kayla & Jada
