Forever In Our Hearts

*For Our Beloved Mother and "Meme"
You were the heart that kept us strong,
The melody in every song.*

*A mother's love, so deep, so true,
A light that always guided through.*

*You gave us more than words can say,
With every hug, you lit our way.*

*Through every trial, joy, and test,
You always gave your very best.*

*To your grandsons, your pride and joy,
You loved each one—each little boy.*

*You cheered their steps, you held them near,
Their laughter still echoes you here.*

*You kissed their cheeks, you knew their hearts,
You played the sweetest "Meme" part.*

*With stories, snacks, and gentle hands,
You built their world on love's own land.*

*Though now you've gone where angels stay,
Your love will never fade away.*

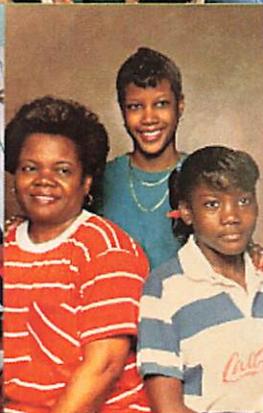

*In every smile, in every tear,
We feel your presence always near.*

*We'll speak your name, we'll share your grace,
In every memory, your face.*

*Forever missed, forever dear—
In hearts of grandsons, you stay near.*

ACKNOWLEDGMENTS

We would like to extend our sincere and humble thanks for your kind gestures, many prayers, and words of encouragement during this difficult time. We are grateful to the members of the clergy, physicians, nurses, and the support staff of Hospice Austin's Christopher House who assisted in Kim's care. We have an immense appreciation to ALL who have been there to support Kim in her time of need and never left her side. As we mourn as a family, we hold fast to the Scripture, "To be absent from the body is to be present with the Lord."
